@ apollo

Your role is to locate a few special sections of the text that you think your group would like to hear read aloud.

- **The idea is to help people remember some of the sections of the text that might be interesting, powerful, funny, puzzling, important etc.**
- **You decide which passages or paragraphs are worth hearing and then write plans for how they should be shared.**
- **You can read passages aloud yourself, ask someone else to read them, or ask the group to read them silently, then discuss.**

Possible reasons for selecting a passage to share:

- **important to text**
- **surprising**
- **makes you think**
- **funny**
- **well written**
- **confusing**
- **interesting**
